

We Give Thanks!

Thank you for your unwavering support to protect the Saugatuck Dunes.

For sixty years our community has fought to protect the Saugatuck Dunes and our River Mouth from inappropriate development.

Protecting the dunes...

1. Is written into our community values.
2. Is part of our regional economics and local zoning.
3. Has endorsements of politicians, business owners, scientists, and nearly every civic group and neighborhood organization in our area.
4. Has led our community to invest tens of millions of dollars into saving this unique landscape.

Thank you for standing with us.
