

SINGAPORE ALL OVER AGAIN...

Poorly planned development hurts us all – our quality of life, our local economy, our community values. The very reasons we live here.

With your help we can continue to protect the:

1. Dunes and Historic River Mouth Neighborhood from inappropriate development.
2. Archeological remnants of Singapore and native peoples.
3. Reestablishment of native sturgeon.
4. Endangered species including Pitcher's Thistle and Prairie Warbler.
5. Views from publicly-owned land.
6. Clean water and beaches.

Thank you for standing with us.
